Subject: I STRONGLY BELIEVE AND AGREE in the 1996 Telecom Act

Commissioner Kevin J. ~~Martin~~:

I am **writing to you** as a concerned American consumer who is fearful that you will fall prey to a 'smoke screen and mirrors ploy'. I **STRONGLY BELIEVE AND AGREE** in the 1996 Telecom Act.

I think it was the best thing that was done **to** protect the consumer in a very long time. What has happened in the Telecommunications industry **was** done for greed **of** pocketbook. Consumers did not do this, Owners, **CEO's and** stockbrokers did! **Don't punish** me, the consumer, by **allowing** the Baby Bell's and their Likes in leading you to believe that they are **losing** money **because** of open competition. It's because of their greed.

I, as an American consumer, want **the** choice to **PICK WHO I SPEND MY HARD EARNED MONEY WITH**. Our founding **fathers** died in giving **us** our liberal **freedom** of choice. Don't turn our country and time **back** 100 years. I sincerely hope that you do the **right thing** and leave the choice **up** to the consumer **with** the companies capable **of** competition. It is called 'free market'!

Thank you,

Respectfully,

Rebecca Morgan
